

APPLICATION CHECKLIST FOR OUT-OF-STATE TEACHER'S LICENSE IN Gifted & Talented K-12

To verify that an applicant can be recommended for licensure in another state, he/she must be eligible for professional licensure in the state of Arkansas. Arkansas State University provides state-by-state educational determinations on the [State Authorization & Licensure Disclosures](#) page. Because licensure requirements vary and may include additional conditions, students should review that page and confirm requirements with their state's licensing board before enrolling in an out-of-state program.

Please send all documents together at one time to the Educator Licensure Specialist:

 - This form will come from your respective state. Please fill out any applicant information and sign if applicable.

If this is the case for you, you need to first reciprocate your current license to Arkansas, and then you will be able to add Gifted & Talented to it and reciprocate back to your state. Reciprocity information can be found here:
