

How To Gain Access to myBill for Past Students

This 'How To' covers how Past Student can access their 1098T form online via their myBill account for saving and/or printing if they had consented to receive the form online prior to disbursement of said forms.

***If you have not consented for the online form, then you will not have a form in your myBill account as it was mailed to the Billing Address you have on file at the time the form is issued.
