Overview of the Testing Center

The **Testing Center** at Arkansas State University provides secure, professional testing and scanning services to support student success and faculty needs. Located on the **third floor of the Reng Student Union**, the center serves both the campus and the surrounding community with nationally recognized standards for test administration.

What We Do

- Administer standardized exams such as **ACCUPLACER, CLEP, GRE, Praxis, TOEFL**, and more
- Provide **electronic scanning services** for faculty exams
- Maintain certification with **ETS, Pearson VUE, The College Board**, and other testing organizations

---

Commitment to Excellence

Testing services are aligned with the university's mission. The staff of the Testing Center is committed to maintaining **nationally recognized professional standards** and delivering **excellent customer service**.

The Testing Center is certified by:

- **Educational Testing Service (ETS)**
- **The College Board**
- **Pearson VUE**
- Several **private boards and societies**

These certifications ensure the center can efficiently coordinate the organization, administration, and security of standardized testing programs.
