

Registering for Classes When You Know the CRN

For instructions on how to access the self-registration page, please visit the guide [here](#).

Registering for a class when you know the CRN (course reference number)

The CRN is a unique 5-digit number assigned to each specific section of a course. You can find course CRNs for Online specific programs [here](#)

1. To register for a class when you know the CRN, use the tab that says "Enter CRNs".

The screenshot displays a web interface for registering for classes. At the top, a breadcrumb trail shows the navigation path: [Student](#) • [Registration](#) • [Select a Term](#) • Register for Classes. Below this is a header section titled "Register for Classes". Underneath the header is a tabbed interface with four tabs: "Find Classes", "Enter CRNs" (which is the active tab), "Plans", and "Schedule and Options". The main content area under the "Enter CRNs" tab is titled "Enter Course Reference Numbers (CRNs) to Register". Below this title, it specifies the term: "Term: 2025 Fall". There is a text input field labeled "CRN" with a placeholder box. Below the input field, there is a link "+ Add Another CRN" and a button labeled "Add to Summary".

2. Type the 5-digit CRN into the designated box.
