

Admission

To gain admission to this certification program all applicants must have completed the H.O.W.L. Transition Program or earned a certificate from an inclusive postsecondary education program and submit an application packet to the A.T.L.A.S. Transition Program admission committee.

Students must meet eligibility requirements, provide letters of recommendation, a written statement/audio-video recording describing a typical day in their life, and complete an interview with A.T.L.A.S. staff.
