Chromebook

> The current **AStateSecure** wireless network will be retired at **noon** on **Saturday, Oct. 3**, and will no longer be available after that time.

Connecting to AStateConnect

AStateConnect is the Wi-Fi network you will use while on campus. You log in with your A-State email address and password.

1. Go to **Settings** on your device.

2. Scroll and click on **Network and Internet**.

3. Click on **Wi-Fi**.

4. Click on **AStateConnect**.

5. For the EAP Method, you will need to select **PEAP.**

6. For the Phase 2 Authentication, you will need to select **MSCHAPV2**.

7. Enter your A-State email address under **Identity** and your A-State password under **Password**. Leave the **Anonymous Identity** field blank.

8. For Certificates, select **Do Not Validate** or **Do Not Check**.

9. If prompted for the domain, enter **astate.edu**

10. Then click **Connect**.

Your device should now be signed into the **AStateConnect** network.

Connecting to Home@Astate

Home@AState is the Wi-Fi network used in A-State Campus Housing. Every student living in on-campus housing should have been provided a password for this Wi-Fi network to their A-State student email.

1. Go to **Settings** on your device.

2. Scroll and click on **Network and Internet**.

3. Click on **Wi-Fi**.

4. Click on **Home@AState**.

5. Enter the **Home@AState** password provided via A-State student email.

6. Click **Connect**.

Your device should be now be signed into the **Home@AState** network.

> If you have not received your **Home@AState** password, you can use this **GUIDE** for help requesting a new password

---

> For further assistance, contact the ITS Help Desk at 870-972-3933 or stop by IT Support Services (itsupportservices@astate.edu). It is located on the bottom floor of the Dean B. Ellis Library, Room 149.
