

Add Stukent to Canvas

1. Open the course and click on **Settings** at the bottom of the left-hand course menu.
2. In the Settings, click on the **Apps**
3. Click the “**View App Configurations**” button.
4. Click the “**+App**” button to open the “**Add App**” settings menu.
5. Under **Configuration Type**, select the option “**By Client ID.**”
6. Type or copy and paste the following: **70640000000000122**.
7. Click **Submit**. Now when you refresh your browser tab, Stukent will be available near the bottom of the course menu.
