How do I delete a New Quizzes quiz?

You can delete quizzes created with New Quizzes from your course.

Notes:

- Deleting a quiz removes it completely from your course. If you would rather hide the quiz or make it inaccessible to submissions, you modify the accessibility dates. If the quiz has no student submissions, you can unpublish the quiz.
- When Multiple Grading Periods are enabled in a course, you cannot delete individual quizzes for any student, group, or section in a closed grading period.
