

How do I export a New Quiz from a course?

If you need to export content from New Quizzes, you can export quiz content as a QTI ZIP file.

If your institution has enabled the New Quizzes Migration During Course [Import/Copy feature option](#), you can also [convert quizzes in QTI packages to the New Quizzes format](#) when using the Course Import Tool.

Open Quizzes

Open Quizzes

In Course Navigation, click the **Quizzes** link.

Note: You can also access quizzes from the Assignments page.

Open Build Page

[Open Build Page](#)

To export a quiz, find the quiz you want to open [1].

To open the Build page, click the **Options** icon [2] and then click the **Build** link [3].

Open Exports

Open Exports

Click the **Exports** tab.

Create Export

Create Export

Click the **Create Export** button.

View Quiz Export

View Quiz Export

When the export is complete, click the **Quiz Export** link.
