

How do I grade a website URL submission in SpeedGrader?

You can grade website URL submissions in SpeedGrader. SpeedGrader displays a screenshot of the website taken at the time the student submitted, as well as a link to view the full website.

Note: DocViewer annotations are not available for website URL submissions.

Open SpeedGrader

Open SpeedGrader

Open SpeedGrader from the assignment.

Select Submission

Select Submission

Select the student whose submission you would like to view.

View Submission

View. Submission

View the submission. SpeedGrader displays a screenshot of the website at the time of submission. To view the full website, click the URL link.

Grade Submission

Grade Submission

To grade the submission, enter a grade in the **Grade** field [1].

If you added a rubric to the assignment, you can [view the rubric](#) by clicking the **View Rubric** button [2].
