

How do I link course content to a quiz question?

You can add files and images to your quiz questions by linking to your course content. You can also follow these steps to link course content in the quiz instructions.

Open Quizzes

Open Quizzes

In Course Navigation, click the **Quizzes** link.

Add Quiz

Add Quiz

Click the **Add Quiz** button.

Select Quiz Engine

Select Quiz Engine

If your course has New Quizzes enabled, you must select a quiz engine.

To select New Quizzes, click the **New Quizzes** option [1].

To create a classic quiz, click the **Classic Quizzes** option [2].

Then click the **Submit** button [3].

Note: Learn more about [creating a quiz using New Quizzes](#).

Edit Existing Quiz

Edit Existing Quiz

Click the **Options** icon of the quiz you want to edit [1]. Click the **Edit** link [2].

Add Course Content to Quiz Question

[Add Course Content to Quiz Question](#)

You will use the Rich Content Editor to link to content in your quiz question. If you want to add course content to your quiz question, you can access it in the content list on the sidebar.

You can upload images and files from your desktop or link to images and files you have previously uploaded.

View Quiz Question with Image Added

You can add course images into your quiz questions.

To upload a course image, place your cursor where you want to embed the image [1]. Click the **Image Options** arrow [2]. Then select the **Course Images** option [3].

Note: To view the Image icon, you may have to click the **Options** icon [4].

Update Question

Update Question

Click the **Update Question** button to see the question before it is published.

Add additional [individual questions](#) as needed.

Save Quiz

Save Quiz

Click the **Save** button to save your work and preview the quiz. If you edited an existing quiz, any saved changes will automatically be updated.

Note: You should not publish your quiz until it is your final product. If you are ready to publish your quiz and make it available to students, click the **Save & Publish** button.

Preview and Publish Quiz

Preview and Publish Quiz

To preview the quiz, click the **Preview** button [1]. If the preview shows the quiz the way you want it, click the **Publish** button [2].

Note: Although you can make changes to the quiz after it is published, students who have already opened or completed the quiz will not see any of the changes, which may affect their grades.

Save It Now

Save It Now

If you exit the quiz without saving, Canvas will ask you to save your changes when you return to the quiz. To update your changes, click the **Save It Now** button.
