How do I link to other Canvas pages in a course?

Within a page, you can insert links to other Canvas pages within the same course.

Open Pages

Open Pages
In Course Navigation, click the **Pages** link.

View Pages

View Pages
Pages is designed to open to the front page for the course, if there is a front page selected. To select a page from the Pages Index, click the **View All Pages** button.

Open Page

Open Page
Click the title of the page you want to open.

Edit Page

Edit Page
Click the **Edit** button.

Insert Link

Insert Link

In the Rich Content Editor, place your cursor where you want to insert the link. You can add links to course or group content. The name of the page will appear in the Rich Content Editor and flash

yellow. Then the name will turn blue, indicating it is a link.

Save Page

Save Page
Click the **Save** button.

View Page

View Page
View the page.
