

How do I show recent announcements in the Course Home Page?

You can show recent announcements as part of your Course Home Page. You can set the number of announcements that should be displayed.

The Course Home Page only displays text and links within announcements; any images or media will not be shown.

Note: Student app users cannot view announcements on the homepage. However, they can view announcements in the course's Announcements navigation.

Open Settings

Open Settings

In Course Navigation, click the **Settings** link.

Open Course Details

Open Course Details

Click the **Course Details** tab.

Show Recent Announcements

Show Recent Announcements

Select the **Show recent announcements on Course home page** checkbox.

Select Number of Announcements

Select Number of Announcements

In the **Number of announcements** menu, select the number of announcements to show on the home page. You can show up to the most recent 15 announcements.

Update Course Details

Update Course Details

Click the **Update Course Details** button.
