How do I view all aligned items in Improved Outcomes Management?

You can view course content items aligned with a specific outcome.

Open Outcomes

Open Outcomes
In Course Navigation, click the **Outcomes** link.

Open Alignments

Open Alignments
Click the **Alignments** tab.

Open Outcome

Open Outcome
In the **All Outcomes** drop-down menu [1], you can view all outcomes [2], outcomes with alignments [3] or outcomes without alignments [4].

Click the expand arrow next to the outcome you want to view [5].

View Alignments

View Alignments
View the course content items aligned to the outcome and the module in which they are located, if applicable.

Aligned items are identified with an icon displaying the item type: assignment [1] or rubric [2].

You can view the number of course content items aligned to an outcome [3].
