

How do I view student quiz results in New Quizzes?

You can view student quiz results within each quiz in your course by viewing the moderate page in New Quizzes. If a student has multiple quiz attempts, you can also view results of all attempts. You can also print the student's results.

Note: When [Anonymous Grading](#) is enabled, student quiz details and the Manage Current Attempts sections are hidden.

Moderate Quiz

Moderate Quiz

In New Quizzes, click the **Moderate** tab.

View Moderate Page

[View Moderate Page](#)

To view student quiz results, click the **Attempt** link next to the student's name.

If there is more than one attempt, you can view past results. To view a past attempt, click the attempt you want to view.

View Results Page

[View Results Page](#)

View the quiz results which include the score, points earned, and time spent on the attempt [1].

View the individual quiz questions [2].

To print the student's results, click the **Print Results** button [3].

To return to the moderate page, click the **Back to Moderate** link [4].

Select Text Size for Results

Select Text Size

To select a text size for the printed quiz results, select a text size option [1]. You can print the quiz results with medium text, large text, or extra large text. Medium text is the default size.

To remember your text size setting, click the **Remember text size setting** checkbox [2].

To open the print preview, click the **Print Preview** button [3].

Select Print Options

Select Print Options

New Quizzes uses your browser's print dialog window to print the quiz results. You can select a different printer, and choose other printing options, such as layout, pages, and color printing options.

To print your quiz, click the **Print** button.

To save the quiz results as a PDF file, select the **Save as PDF** option in your browser's print dialog window.
