Open Discussions

Open Discussions

In Group Navigation, click the **Discussions** link.

Add Discussion

[Add Discussion](#)

Click the **Add Discussion** button.

Create Discussion

[Create Discussion](#)

Enter a discussion title in the **Topic Title** field [1].

Add discussion content using the [Rich Content Editor](#) [2].

Set Discussion Options

Set Discussion Options

Select options for your discussion, such as allowing others to like it and adding it to other group members to-do lists.

Save Discussion

Save Discussion

To start the discussion, click the **Save** button.

View or Edit Discussion

[View or Edit Discussion](#)

View the discussion you started in your group.

If you need to edit the discussion, click the **Edit** button.

[View or Edit Discussion](#)

If Discussions Redesign is enabled for your course and you need to edit the discussion, click the **Options** menu [1] and select the **Edit** link [2].
