

How do I join a group as a student?

You can sign up for a group in your course if your instructor has enabled the self sign-up option.

Note: If your instructor has disabled the People link in Course Navigation, you cannot join a group.

Open People

Open People

In Course Navigation, click the **People** link.

Open Groups

Open Groups

Click the **Groups** tab [1].

Or, to access your groups through the Options menu, click the **Options** icon [2] and then click the **View User Groups** link [3].

Join Group

Join Group

Next to the name of an available group, click the **Join** button.

Note: You can also join a group by switching to it. You can [learn more about switching groups](#).

Verify Group Sign Up

Verify Group Sign Up

A message appears at the top of your browser verifying you signed up for the group.

Visit Group

Visit Group

To [access a group](#) you joined, click the **Visit** link.
