

How do I know when my assignment has been submitted in a course using Assignment Enhancements?

If Assignment Enhancements is enabled in your course, you can view an assignment to verify your assignment submission.

All file submissions also appear in your [personal unfiled folder](#).

Notes:

- If the assignment you are accessing displays differently, Assignment Enhancements may not be enabled in your course or your instructor may not have used a supported assignment type. Please view [this guide](#) for more information.
- Assignment Enhancements does not support Cloud Assignments.

Additionally, you can view your most recent submission [2].

If you choose, you may resubmit another version of your assignment using the **New Attempt** button [3].

If you've submitted multiple assignment submissions, you can view previous submissions by clicking the **Attempt** drop-down [4].

To add an assignment comment for your instructor, click the **Add Comment** button [5].

Notes:

- If you're not able to resubmit work, your instructor may have limited the number of allowed submissions or the assignment may no longer be accepting submissions due to the assignment's availability dates.
- Once you've submitted your work, the assignment will still display in the Assignments page and the Syllabus.
