

How do I like a reply in a course announcement as a student?

If you can make a reply in an announcement, you may be able to like announcement replies in your course.

Note: The liking feature may be restricted to users with grading permissions (e.g. instructors and TAs). If you cannot like an announcement reply, this feature is not available to you.

Open Announcements

Open Announcements

In Course Navigation, click the **Announcements** link.

Open Announcement

[Open Announcement](#)

Click the name of the announcement.

Like Announcement Reply

[Like Announcement Reply](#)

Locate the reply and click the **Like** icon.

View Liking Restriction

[View Liking Restriction](#)

If your instructor has restricted the liking option to only users with grading permissions, you will not be able to see the Like icon or like your favorite replies.
