

How do I like a reply in a course discussion as a student?

You may be able to like discussion replies in your course.

Note: The liking feature may be restricted to users with grading permissions (e.g. instructors and TAs). If you cannot like a discussion reply, this feature is not available to you.

Open Discussions

Open Discussions

In Course Navigation, click the **Discussions** link.

Open Discussion

Open Discussion

Click the title of the discussion.

Like Discussion Reply

Like Discussion Reply

Locate the reply and click the **Like** icon.

View Liked Discussion

View Liked Discussion

The Like icon will change color, indicating you have liked the reply. The Like icon also displays the total number of times a reply has been liked.

View Liking Restriction

[View Liking Restriction](#)

If your instructor has restricted the liking option to only users with grading permissions, the like icon will be inactive. However, you can still view the total number of likes on a reply.
