How do I view rubric results for my assignment?

You can view your rubric results for your assignment in the Grades page. You can also view comments left by your instructor on the rubric.

You can also view comments from your instructor or view annotation feedback comments directly in a submission.

Note: If the steps in this lesson are different from what you see in your course, Assignment Enhancements may be enabled. Learn how to view assignment feedback using Assignment Enhancements.

Open Grades

Open Grades

In Course Navigation, click the **Grades** link.

Open Rubric

Open Rubric

If an assignment has a rubric, the assignment will display the rubric icon. To open the rubric, click the **Rubric** icon.

View Rubric Results

View Rubric Results

View the rubric results for your assignment.

View Non-Scoring Rubric Results

View Non-Scoring Rubric Results

If your instructor has removed points from the rubric, you can still view the rubric results for your assignment.

View Rubric Comments

View Rubric Results
If your instructor has left comments in your rubric, you can view them under the rubric criteria.

Note: This text will only appear if your instructor has left comments in the rubric.
