

# How do I view the rubric for my external tool assignment?

If your instructor creates an assignment with an external tool, such as a Google Drive or Microsoft Office 365 assignment, they may include a rubric as part of your assignment. Before submitting your assignment you can review the rubric's definitions.

## Open Grades

Open Grades

In Course Navigation, click the **Grades** link.

## Open Assignment

Open Assignment

Click the name of an assignment.

## Show Rubric

[Click Show Rubric Link](#)

In the submission details page, click the **Show Rubric** link.

## View Rubric

View Rubric

View the rubric for your external tool assignment.

**Note:** Depending on how your instructor set up the rubric, it may or may not include point values. If the rubric does not include point values your instructor may still use it to provide feedback on your assignment.
