Professions Criminal Background

Student name: _____

I understand that criminal background checks may occur as part of my professional education at ASU. Evidence of a previous charge or conviction of a felony/misdemeanor on my record may affect my progress in this program. While the faculty cannot realistically determine whether this will have any future impact on my ability to work in my profession, I do understand that the following issues could arise during my time as a student or as a graduate of the program.

1. Certain rotation sites could deny me access for
2. Hospitals or other health care institutions could refuse to allow me access for a clinical
3. The above two issues could make it impossible for me to complete the clinical portion of my education and therefore not graduate.
4. Upon graduation, a state licensing agency could refuse to grant me a
5. As a licensed professional, certain health care institutions could refuse to grant me
6. There could be other, unforeseen, impacts of this incident on my ability to practice as a
