

Collaborative Piano

Many students require the services of a collaborative pianist during their time as a student. All students working with a collaborative pianist MUST sign the Collaborative Pianist Contract below. Students need to request a pianist as soon as they know they will need one (TMR, half/full recital, jury, competition) to ensure one is assigned. The request must be made by using the Collaborative Pianist Request Form below. Vocal students will have a pianist assigned to them at the beginning of each semester.
