

VEHICLE SAFETY PROGRAM

In order to operate a state vehicle or private vehicle on state business all drivers must participate in the Arkansas State Vehicle Safety Program. If you are not sure you are in the program, contact Sandra Bramblett in Risk Management at (870) 972-2817 or email at sbramble@astate.edu.

Those who will be operating slow moving vehicles (i.e. golf carts, side-by-sides, tractors, mowers, forklifts, etc.) additional training is required. Please contact the EHS department for training requirements.
