

Important PC Folders (Auto Backup)

You can backup important computer files on OneDrive like your Desktop, Documents, and Pictures files.

1. Select the OneDrive cloud icon in the notification area (right side of the Windows Taskbar just before the clock).
2. Select **Help & Settings** > **Settings**.
3. On the **Backup** tab, under **Important PC Folders**, select **Manage backup** and follow the instructions.

4. In the **Back up your folders** dialog, make sure the folders that you want to back up are selected.
