

Kari Harris

Dr. Kari Harris

I AM A DEDICATED RESEARCH ADMINISTRATOR AND EDUCATOR WITH A PASSION FOR ADVANCING STUDENT RESEARCH AND ENGAGEMENT

Currently serving as Director of the Office of Student Research and Scholarship at Arkansas State University, I develop and lead programs that support undergraduate and graduate research, organize professional development opportunities, and foster collaboration across disciplines.

My background includes teaching biology at multiple levels, managing natural history collections, and coordinating student organizations. I hold a Doctor of Public Administration from West Chester University, with research focused on student success and co-curricular involvement. My work is driven by a commitment to mentorship, outreach, and expanding access to research experiences for all students.
