

LOCAL DELIVERY VEHICLES/PARKING

Vehicles used for local delivery of pizza and other food orders, flowers, balloons, small packages, freight, etc. are not required to display a permit if the name of the business is clearly displayed on the vehicle with an official business logo or other item that clearly declares that the vehicle is used for local business delivery. If the name of the business is not displayed, a business permit must be displayed from the vehicle.

Local delivery vehicles are permitted to be parked in designated service/delivery zones, approved loading docks, commuter parking, metered and garage parking (must be paid), and other non-restricted areas that do not interfere with the safe operation of the campus parking infrastructure. Delivery vehicles are not permitted in fire lanes, streets, contract parking, or other restricted parking or non-parking areas.
