

PARKING PERMITS

Student Permits

SD - \$100.00

All students who park a vehicle on the A-State campus are required to display a valid student (SD) parking permit. Student status for parking purposes does not revert to visitor or any other non-student status when a student does not register for classes during a particular academic term such as an interim or summer term or a fall or spring semester during the academic year. Vehicles displaying properly validated SD permits may be parked in commuter zones or in resident zones per the regulations stated below for each type of zone. All metered or garage parking must be paid. Payment of metered or garage parking does not mitigate the requirement to display a valid parking permit. Students with contract parking spaces must display a current parking permit validated for their assigned contract parking lot and space.

All students are limited to only one active permit. Students may not have more than one active permit registered to their parking accounts. Exception: Students may have both a standard vehicle permit, a motorcycle permit, and/or a temporary 8-day or 1-day permit active at the same time.

Faculty/Staff Permits

FS - \$120.00

All faculty/staff who park a vehicle on the A-State campus are required to display a valid employee parking permit. Only faculty/staff who are designated as full-time employees in the Banner system or verified as full-time contracted employees are eligible for faculty/staff (FS) parking permits. Employees who have retired from A-State may receive an FS permit at no charge except for those who continue to receive compensation for full-time campus employment. Vehicles displaying an FS permit may be parked in designated faculty/staff zones and commuter zones and authorized resident zones. All metered or garage parking must be paid. Payment of metered or garage parking does not mitigate the requirement to display a valid parking permit. Faculty and staff with contract parking spaces must display a current parking permit validated for their assigned contract parking lot and space.

All faculty and staff are limited to only one active permit. Faculty and staff may not have more than one active permit registered to their parking accounts. Exception: Employees may have one standard vehicle permit, a motorcycle permit, and/or a temporary 8-day permit active at the same time.

Staff/Employee Permits

SE - \$100.00

All faculty/staff who park a vehicle on the A-State campus are required to display a valid employee parking permit. Staff/Employee (SE) permits are issued to full-time employees not wishing to purchase FS permits and to part-time employees. Vehicles displaying SE permits may be parked in commuter zones and authorized residence zones. All metered or garage parking must be paid. Payment of metered or garage parking does not mitigate the requirement to display a valid parking permit. Faculty and staff with contract parking spaces must display a current parking permit

validated for their assigned contract parking lot and space.

All faculty and staff are limited to only one active permit. Faculty and staff may not have more than one active permit registered to their parking accounts. Exception: Employees may have one standard vehicle permit, a motorcycle permit, and/or a temporary 8-day permit active at the same time.

Temporary Printable Permits

TP - \$15.00 (8 days) or \$5.00 (1 day)

Temporary (TP) permits are issued to faculty, staff, or students. All metered and garage parking must be paid. Payment of metered or garage parking does not mitigate the requirement to display a valid parking permit. TP permits are valid for eight days or one day from date of purchase.

Motorcycle Permits

MC - \$40.00

All motorcycles, motor bikes, scooters, etc. must display a current motorcycle permit. Motorcycles, motor bikes, scooters, etc. may be parked in regular commuter vehicular parking spaces or in designated motorcycle zones. All metered and garage parking must be paid. Payment of metered or garage parking does not mitigate the requirement to display a valid parking permit.

Business Permits

BP - \$120.00

Compensated service providers are required to display business permits (BP) when parking a vehicle on the A-State campus. BP permits are issued to service providers and vendors who are not faculty, staff, or students and who will receive or potentially receive payment for services rendered on or for the A-State campus with the exception of activities coordinated through the construction and project services offices of Facilities Management. Examples include but are not limited to sales, equipment maintenance/repair, vendor services, cleaning services, etc. Providers of local delivery services of pizza and other non-vendor food orders, flowers, balloons, small packages, freight, etc. are not required to display a business permit when operating a vehicle that clearly displays the name of the business with an official logo or other item that clearly identifies a vehicle is being used for local delivery. If the name of the business is not displayed, a business permit is required. Vehicles displaying a business permit may be parked in faculty/staff parking zones and commuter parking and in residence zones if the service provided relates to a facility in a residence zone. BP permits also allow parking in service/delivery zones and approved loading docks for loading/unloading only (30 minute time limit). Vehicles must be promptly removed when load/unload activities are complete. All metered and garage parking must be paid.

Departmental Permits

DP - \$120.00

Departmental permits (DP) are dashboard placards issued to A-State departments. DP permits are for use by department employees who must use personal vehicles in the absence of state-owned vehicles for short-term service/delivery activities (30 minute time limit). DP permits allow parking in service/delivery zones and approved loading docks only. No additional privileges are provided. Standard A-State permits must also be displayed when displaying a DP permit. Payment must be made by the responsible department before a DP permit will be issued.

Construction Permits

CP - No Charge

Construction permits (CP) are issued to persons who are not A-State students or employees and are working on projects coordinated through the construction and projects offices of Facilities Management. Vehicles displaying CP permits are validated to park in designated construction zones or in general commuter or service parking. All parking regulations must be followed. Vehicles with CP permits displayed may not be parked in visitor parking or any restricted zone other than an official construction project zone or general commuter or service parking. All metered and garage parking must be paid.

Event Permits

EP - \$5.00/Day

Event permits (EP) are issued to A-State departments and other organizations for distribution to participants in events sponsored by departments/organizations and officially sanctioned by the University. A-State faculty, staff, and students are not permitted to use EP permits. Vehicles displaying EP permits may be parked in visitor parking, unrestricted commuter parking, or in designated event parking zones. All metered parking must be paid; however, vehicles displaying EP permits may be parked in non-reserved (green) spaces in the North Parking Deck at no charge. Requests for EP permits must be submitted online at the Parking Services website.

Campus Resident Permits

CR - No Charge

Campus resident (CR) permits are dashboard placards issued to residents of The Village or other residence zones as assigned by DPS. Each family unit in The Village must purchase at least one A-State student or employee parking permit. Additional vehicles may be validated for Village parking by displaying CR permits.

Student Health Center Permits

HC - No Charge

Student Health Center (HC) permits are dashboard placards issued by the Student Health Center. HC permits allow students with qualifying illness or injury to park in faculty/staff parking during the period that the permits are valid. The permits do not allow for parking in disability parking spaces. Student (SD) permits must also be displayed. No additional privileges are provided by HC permits.

PARKING SPACES. All A-State parking spaces are designated with industry standard traffic and parking stall striping like that found in most parking lots in most communities. Some parking stalls are head-in (striping perpendicular to the flow of traffic), head-in angled (striping angled to the flow of traffic), and parallel (striping parallel to the flow of traffic). In gravel lots, official parking spaces are designated with concrete wheel stops. Parking in areas where there are no parking stalls designated with striping or wheel stops is prohibited. This includes such actions as parking along the curbs of parking lots, along the curbs or sides of streets, or on the grass, dirt, sidewalks, or other surface of campus properties that are not designated for parking with striping or wheel stops.
