Sponsor Agreements

A-State will accept tuition assistance (sponsor) agreements in lieu of payments at the time of registration. However, students will be responsible for all amounts owed if the sponsoring agency does not remit payment in full.

Third Party Billing Authorization Form

Students must complete the Third Party Billing Authorization Form each term in order for A-State to bill third parties for student charges. Completing this form does not guarantee authorization from a third party sponsor. Students must turn in an authorization from their third party sponsor in addition to the Third Party Billing Authorization Form.

Steps to Follow:

1. Complete the Treasurer's Office [Third Party Billing Authorization Form](#)
2. Email the authorization from your third party sponsor to thirdparty@astate.edu. If you are an A-State Online student, please copy onlinebilling@astate.edu on the email.
