

Program-Level Assessment Committee (PAC)

Purpose Statement

The Program-Assessment Committee (PAC) at Arkansas State University is charged with the primary responsibility of planning, advising, and directing program-level assessment. The purpose of the PAC is as follows:

- Review submitted assessment plans and reports and recommend revisions as appropriate
 - Verify that assessment results have been used for programmatic improvements (close the loop)
 - Facilitate the Assessment Grant
 - Facilitate Learn@Astate
 - Discuss assessment processes and make recommendations that would improve student learning assessment
 - Communicate with AAC, Office of Assessment, and Academic Affairs on all matters related to program-level assessment
-
