

Vehicle Safety Form

The following must be completed and signed before authorization to drive on state business is given:

Agency Code/Name: 125/Arkansas State University

All Fields are Required:

Select type of individual:

Employee Student Employee Student/Non-Employee Non-Student/Non-Employee

ASU ID:

Email: Date of Birth: Drivers License Number:

Dept: Dept Phone: Dept Contact:

Check Each of the Following:

I understand that as permitted by Arkansas Code Ann. §27-50-906 (6)(A), the Office of Driver Services will notify

my employer each time a new violation is added to my driving record. I also understand that my employer has

access to my driving record through the SVS System (State of Arkansas Website) through Information Network of

Arkansas.

I understand that because of my driving record I may not be permitted to drive on State business.

I will participate in all required Defensive Driving Classes.

I will report all accidents and incidents that occur on state business to my employer and to BancorpSouth at

501-664-9252 immediately.

I have read the Driving Safety Tips Handout provided by my employer.

I understand that I must maintain liability coverage, as required by State Law, on my personal vehicles that I drive on State

business.

You are hereby authorized to obtain my Traffic Violation Record as permitted by Arkansas Code Ann. §27-50-906 and

§27-50-908. This record shall include material normally excluded by Arkansas Code Ann. §27-50-802.

Signature of individuals appearing below shall constitute consent for the release of such records to the State agency named on this form.

****STUDENT DRIVERS** - I have attached a memo from the Vice Chancellor approving this student to drive.

***Attach copy of driver's license.**

****According to Vehicle Safety Policy 04-24, student drivers must have approval from the appropriate vice chancellor to drive**

ASU vehicles. Please include a memo with the proper signature if the driver is a student.

Driver's Signature: Date:

State

Select type of vehicle to be driven:

Private Both State and Private

State:

Supervisor's Signature: Date:

Last 4 Digits of SSN:

Contact Email:

Golf Cart

Other Equipment:

I pledge to end distracted driving, including but not limited to, use of a "handheld wireless telephone" while operating a

motor vehicle, in accordance with A.C.A §27-51-1504.

Form revised 08/24/202

▽ Observe Speed Limits and Traffic Laws - Allow sufficient time to reach your destination without violating speed

limits or traffic laws.

▽ Seat Belts - Each driver and all passengers in any motor vehicle operated on State official business are required by

law to wear a properly adjusted and fastened seat belt. Statute: 27-37-702

▽ Cellular Devices - The use of cellular phones by the driver while the vehicle is in motion is "not allowed". A.C.A.

27-51-1504. This includes "hands free" equipment and smart watches. Communicating on the phone takes your

attention away from driving, making you less likely to notice hazardous situations.

▽ Backing Crashes - Most backing accidents are preventable. Whenever possible, park your vehicle where backing is

not required. Know what is beside and behind your vehicle before you begin to back. Back slowly and check both

sides as well as the rear as you back. Continue to look to the rear until the vehicle has come to a complete stop.

▽ Intersection Crashes - When approaching and entering intersections, be prepared to avoid crashes that other

drivers may cause. Take precautions to allow for the lack of skill or improper driving habits of other drivers.

Potentially dangerous acts include, but not limited to, speeding, improper turn movements, and failure to yield the right of way.

▽ Weather Related Crashes - Rain, snow, fog, sleet or icy pavement increase the hazards of driving. Slow down and be especially alert when driving in adverse conditions. Discontinue use of cruise control in wet or icy road conditions.

▽ Passing Crashes - When you pass another vehicle, look in all directions, check your blind spots, and use your signal. As a general rule, only pass one vehicle at a time.

▽ Rear End Crashes - The driver can prevent rear-end collisions in spite of abrupt or unexpected stops of the vehicle ahead by maintaining a safe following distance at all times. Most crashes can be avoided by maintaining the "four second rule" and following the vehicle ahead at a distance that spans at least four seconds. The following distance should be increased when driving in adverse conditions.

▽ Security - State vehicles shall be locked whenever they are unoccupied.

▽ Engines - The engine of a State vehicle shall always be turned off before the driver exits the vehicle
